Remaining objections have been overcome by the amendment to the drawings in Paragraph 5, supra. The terminology "a personal care article" as set forth in claim 20, line 1, is interpreted in light of the specification at page 1, lines 3-4, i.e. "such as sanitary napkins, incontinence pads and the like". See also paragraph 7 of the 7-10-03 Office Action. The prior art references, alone or in any combination, do not teach providing the article as set forth on lines 3-22 of claim 20 to the user, which user then performs the steps on lines 23 et seq of claim 20 so
